WORKSHOP ROTATION
SUNDAY SCHOOL

The 1st through 5th Graders are learning the Bible story of Mary and Martha.

Using the Rotation model for Sunday school, kids are able to learn the story through a variety of medias: worship, crafts, video, drama, storytelling, drama, science, computers and cooking!

We need workshop leaders, helpers, shepherds & more!!!

Prayerfully consider how you can help! Contact Tammy for more information at tammy@eastidelc.org or 336-3597 ext. 20!

Save bar codes from "Our Family" brand foods from Sunshine and bring them to the church. For every 500 saved, the church earns \$25.00. Let's try this to help with the cost of kids going to camp.
